APARÊNCIA ESTÉTICA*	Baixo ☐	Médio ☐	Alto ☑						
PÉS	Estofado ☐	Madeira ☐	Metal ☐	Plástico ☐	Rodízios ☐				

APARÊNCIA ESTÉTICA

Devido à elasticidade do revestimento, a natureza da textura interna e ao design visual em relação ao conforto do produto, o modelo pode apresentar diferentes níveis de ondulações ou plissados.

Baixo Médio Alto

Os produtos precisam de uma manutenção regular para preservar sua aparência e as ondulações ou plissados não devem ser consideradas como um defeito de produção, mas como características naturais do produto.

NOTAS

- O modelo só está disponível em couro Top Grain e tecido.
- --- “Multi Features configuration” sectional sofa. The connecting sides of each version are unfinished and include integrated connectors, allowing the modules to be joined together to create a sectional configuration.
- --- Manually adjustable backrests: The sofa features a two-position adjustable backrest. By moving the backrest backward, the seat depth increases, allowing for a more relaxed lounging position while also providing higher back support.
- --- Refined manual backrest mechanism: The provided manual mechanism in metal is beautifully finished in matte black, a refined detail that enhances the sofa’s overall aesthetics and ensures visual appeal from every angle.
- --- Swift power sliding seat: The versions equipped with this feature (634/635) are designed to adapt comfort to every moment. With a simple smart-touch button discreetly positioned between the seat and the armrest, the seat smoothly slides forward, further extending the seating depth to deliver an enveloping lounging experience.
- --- Optional lumbar cushion: An optional lumbar cushion (vers. 212) further enhances the model’s versatility and can be used to provide additional lumbar support.
